BACKGROUND

Section 177 (9) of the Companies Act, 2013 read with rule 7 of Companies (Meetings of Board and its Powers) Rules, 2014 requires the Company to establish a vigil mechanism for directors and employees to report genuine concerns in such manner as may be prescribed.

Further, pursuant to Regulation 4 (2) (d) (iv) of the Listing Regulations a listed entity shall devise an effective whistle blower mechanism enabling stakeholders, including individual employees and their representative bodies, to freely communicate their concerns about illegal or unethical practices, actual or suspected, fraud or violation of the Company's Codes or Corporate Governance Policies.

Accordingly, this Whistle Blower Policy was formulated by the Board of Director with a view to provide a mechanism for employees of the Company to approach the Chairman of the Audit Committee of the Company or Chairman of the Company or the Corporate Governance Cell to report to the Management, instances of unethical behavior, actual or suspected, fraud or violation of the Company's Codes or Policies.

The Policy is being revised to bring it in line with the best prevalent practices and to align it with the sector and group policies in this regard.

OVERVIEW

Mahindra Rural Housing Finance Limited (MRHFL/the Company) is committed to the highest standards of ethics and integrity. The Board of Directors (Board) and the Senior Management of the Company are committed towards the maintenance of highest standards of honesty and integrity, and to promote and maintain a corporate culture that adheres to these values. Towards this end, the Company has adopted two separate Codes of Conduct viz. one for Directors and the other for Employees (collectively referred to as "Codes" or "the Codes") and various Corporate Governance policies (collectively referred to as "Code of Conduct Policies") which lay down the principles and standards that should govern the actions of the Company, its directors and employees. Any actual or potential violation of the Codes or Corporate Governance Policies, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. The role of the Directors or employees in pointing out such violations of the Codes or Corporate Governance Policies cannot be undermined.

In pursuance of this philosophy, MRHFL has put in place a "Whistle Blower Policy" to define a mechanism that will address any complaints related to fraudulent transactions or reporting, intentional non-compliance with the Company's policies and procedures and any other questionable accounting /operational process followed.

VIGIL MECHANISM

Effective control of Corporate wrongdoing calls for clear, structured, accepted and well-managed procedures to facilitate whistle blowing. The Vigil Mechanism as envisaged in the Companies Act, 2013 and the Rules prescribed there under is implemented through the "Whistle Blower Policy" to provide for adequate safeguards against victimization of persons who use such mechanism and make provision for direct access to the Chairperson of the Audit Committee.

Accordingly, this Whistle Blower Policy ("the Policy" or "this Policy") has been formulated with a view to provide a mechanism for Directors, Employees and all stakeholders of the Company to approach the Ethics Helpline Provider or Chairperson of the Audit Committee of the Company or the Code of Conduct (COC) Committee to report events of unethical conduct. For any clarifications related to this Policy, you may reach out to the Head-HR & Admin of the Company.

This Policy is in addition to the Codes and Corporate Governance Policies and is to be read along with the existing Codes / Corporate Governance Policies, which will continue to remain effective.

OBJECTIVE OF THE POLICY

The objective of this Policy is to help detect and address unacceptable conduct relating to the activities mentioned in Eligibility and Scope, and make employees/stakeholders aware that such conduct can be reported in good faith and without fear of retaliation using the reporting channel(s) of the Company's Vigil Mechanism:
